FOCUS ON EDUCATION

HELPING CHILDREN AND YOUTH ACHIEVE THEIR POTENTIAL

DID YOU KNOW? Your gift goes a long way...

- Over 2,700 children under the age of five are receiving a free book each month through a partnership with Dolly Parton's Imagination Library to promote the importance of literacy in the home.
- 3,408 youth are being taught leadership, teamwork and character development through local programs of the Boy Scouts and Girl Scouts.
- 550 at-risk students have found safe after-school care where they receive positive guidance and help with their homework through the Boys & Girls Clubs.
- Big Brothers Big Sisters matched 251 youth with mentors who will invest in their lives as they grow into successful and caring individuals.
- Families throughout Calhoun County are using Born Learning Trails at local public parks to teach their kid's basic skills such as letters, numbers, colors and shapes.

How is this all possible?
Because YOU give to
United Way.
